ENTERPRISE 1986

THE WAY WE ARE

... is unique and for precisely for this reason it is a challenge that we accept ourselves and use our talents and our new skills to look on down the road and improve a society that awaits us to walk right in and

take an active part in designing a future that may have twists and bumps and turns, but yet a common goal to serve mankind to the

very best of our ability. Now we study and learn, but someday our time will come to take command and lead whether it be a family, a business or a world awaiting Stability. We will excel!!

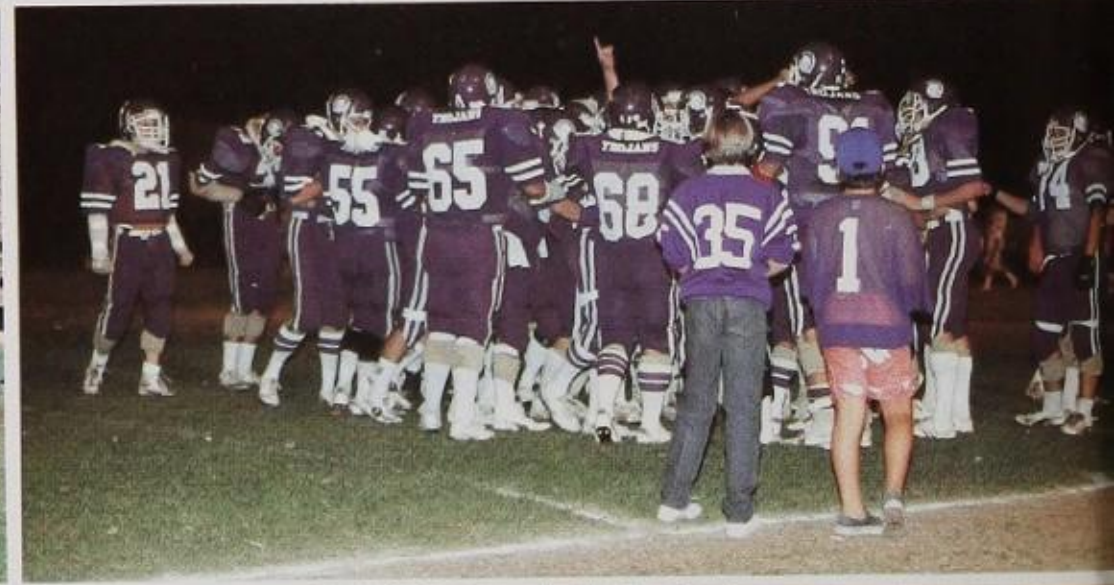

PETALUMA HIGH SCHOOL
PETALUMA, CA

WHO WE ARE . . .

is the important thing to keep in mind. We are the FRESHMEN, new to the game and still learning. We are the SOPHOMORES, no longer green but still not "in". We are the JUNIORS, well into the swing and moving up! WE ARE THE SENIORS, RULERS AND PROUD!

But above all, we are INDIVIDUALS with our very own way of doing things. We love to talk, laugh, eat, sleep and drive. We don't like to study, follow rules, be quiet nor do homework . . . but we do. We are told we are the future, but to us there is only today. In time this experience will be but a precious memory.

WHAT WE DO . . .

as part of our daily routine is what makes these high school days so special. Our social focal point is in the courtyard and halls where friends meet. Our learning does, however, center in the classroom to the sound of the teacher's voice. All the faces and events will be a cherished collection. This extraordinary time is now ours, a unique and endless pleasure that we take so much for granted, yet it is but the start of life's parade.

(1) A warm September lunch hour for Susan King, Tracy Brenes and Lisa Petersen. (2) Willow Walsh and Jon Shoemaker see things eye to eye (3) The speeding fingers of Jennifer Elu (4) Freshmen need to eat too! (5) Mr. "Goodwrench" Souza knows the problem (6) It's essay time for the Seniors (7) Christen Loy and Toni Locarnini put it into writing (8) If only these days could last forever (9) Mondia Doty and Shawn really shown style (10) Stephanie Madick a quiet hallway to study. (11) A goal coming up for Troy (12) A neat locker and heavy subject for Genene Pedrotti.

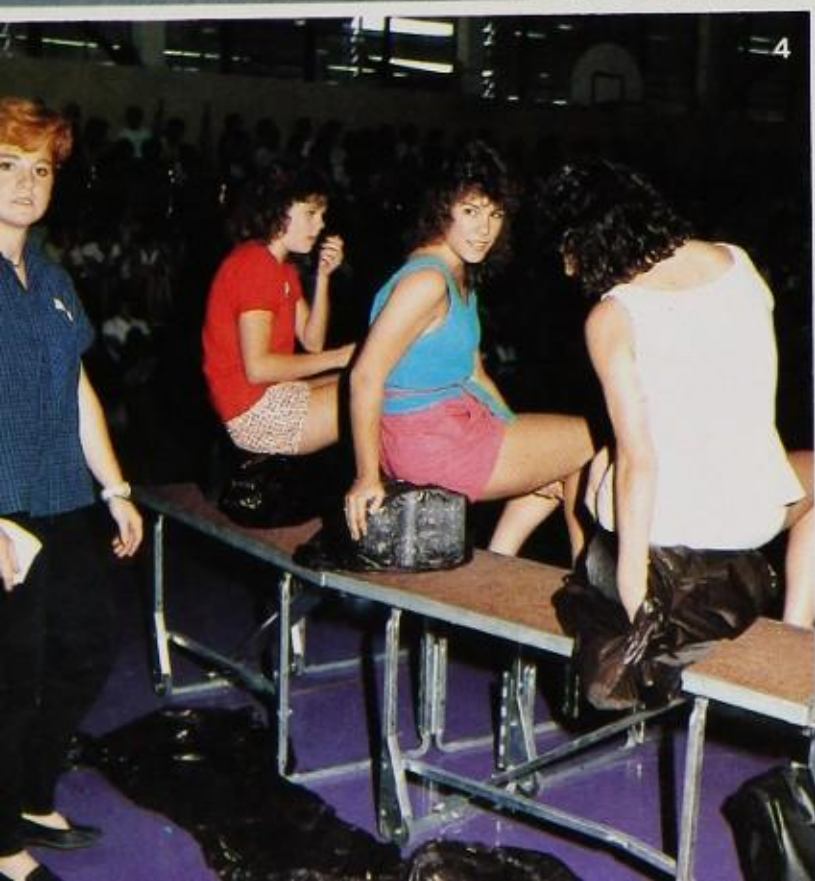

We Are With Spirit

WE'RE HAVING A RALLY! Students all crowding against each other. Jabbered conversations, sharp cries, laughter and cheers . . . a steadily rising din fills the air and the magic word is RALLY! The spirit of THE TROJANS is an enormous expression coming from within us to inspire . . .

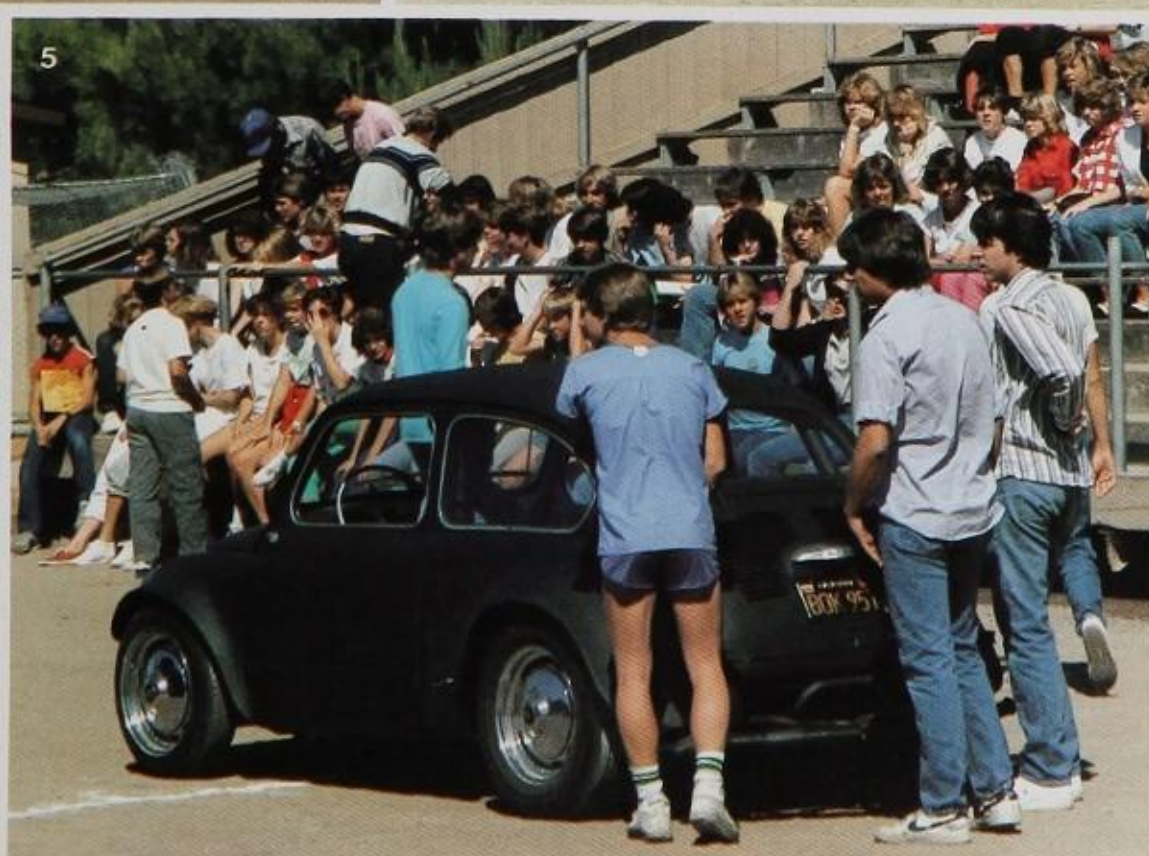

1. Coach Ellison introduces Troy's great football team.
2. The beautiful members of the Faculty Fun Club
3. The Junior Section
4. What do you think of our Ice Sitting Contest?
5. VW rolling full out!
6. Getting ready for the true test of "Man Power".

... not only the athletics, but ourselves as well. For a moment we leave behind all our books, desks and cheer now openly for these good times that will someday soon be but a memory. We share all this with our friends. Now we lift our voice ... we will always be THE PETALUMA TROJANS!

1. The rally ends and the crowd heads back to class.
2. Ko celebrates his victory.
3. The Varsity Spirit leaders know just how to get the crowd going.
4. First they look over the competition
- ...
5. ... then they get ready for the starting gun!
6. "Elvis" Andrews and Merry Mary.

SENIORS

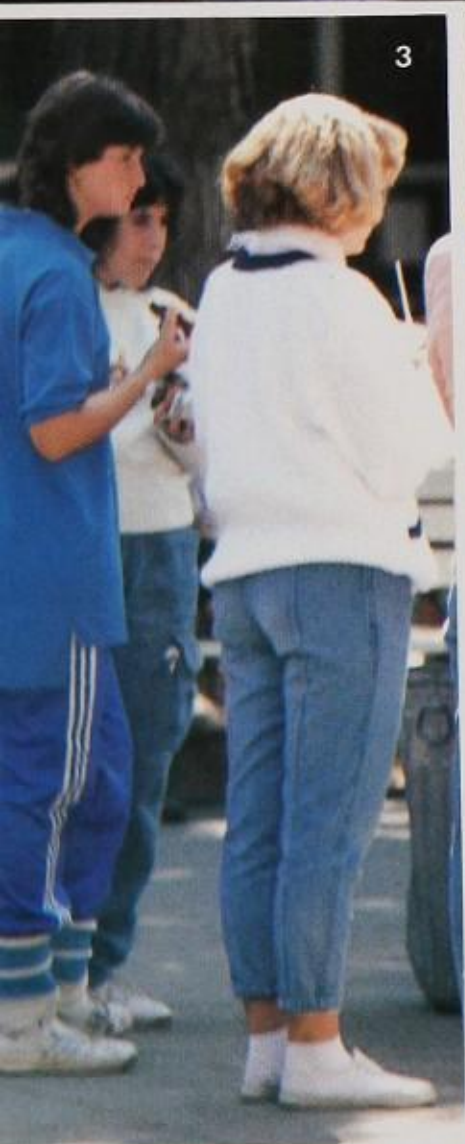

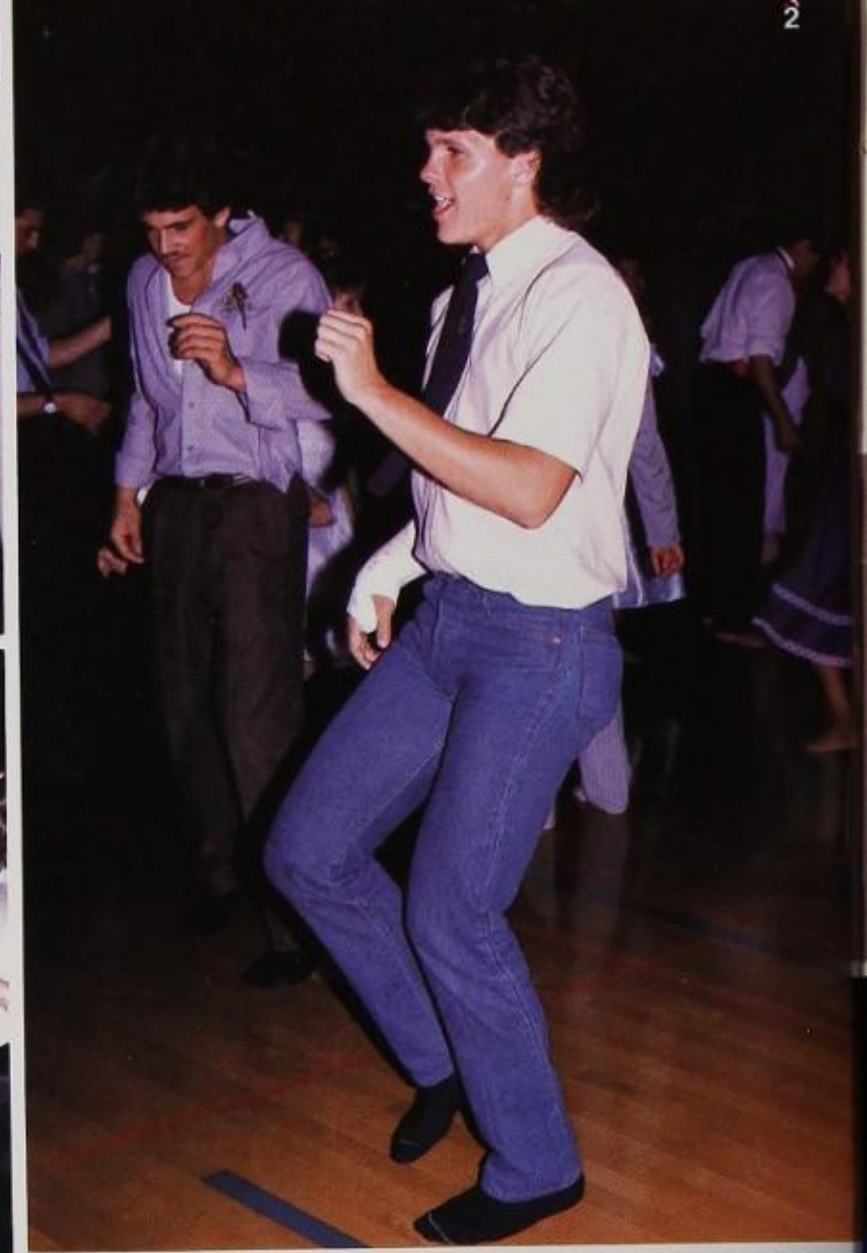

There are only a few moments in our lives that we will ever care to remember and being a SENIOR WILL BE ONE OF THEM. Indeed we all started out as rookies, but now we are seasoned vets looking at our final days in HIGH SCHOOL. We are surrounded with faces and names we have known for years...

RULE

TROJANS CLASS
OF

... but now within just days or just hours,
we will all go our own way and our youth
will be all but played out. Someday we
will look back and recall how much we
enjoyed it and we will appreciate it as
THE GOOD OLD DAYS ...

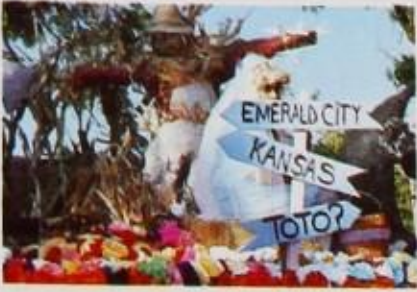

HOMECOMING WEEK

SEPTEMBER marks the passing of summer and we now settle down to nine long months of school. However, all is not lost because come October we set aside a week to celebrate what we call HOMECOMING WEEK. The schedule looks like this: MONDAY - Hats, T-Shirts and Shades. TUESDAY - Class Color Day: Freshmen wear green, Sophomores yellow, Juniors in fire red, Seniors have the blue. WEDNESDAY - Unknown Comic Day with frozen Gum Chewing Contest. THURSDAY - Sweats Day and HUSH DAY and class hall decorations, and VW Push Contest. On FRIDAY - Float Theme Day (The Movies), a band at noon and an exciting rally. And it wasn't over yet! A parade and dance would close this week of TROJAN TRADITION.

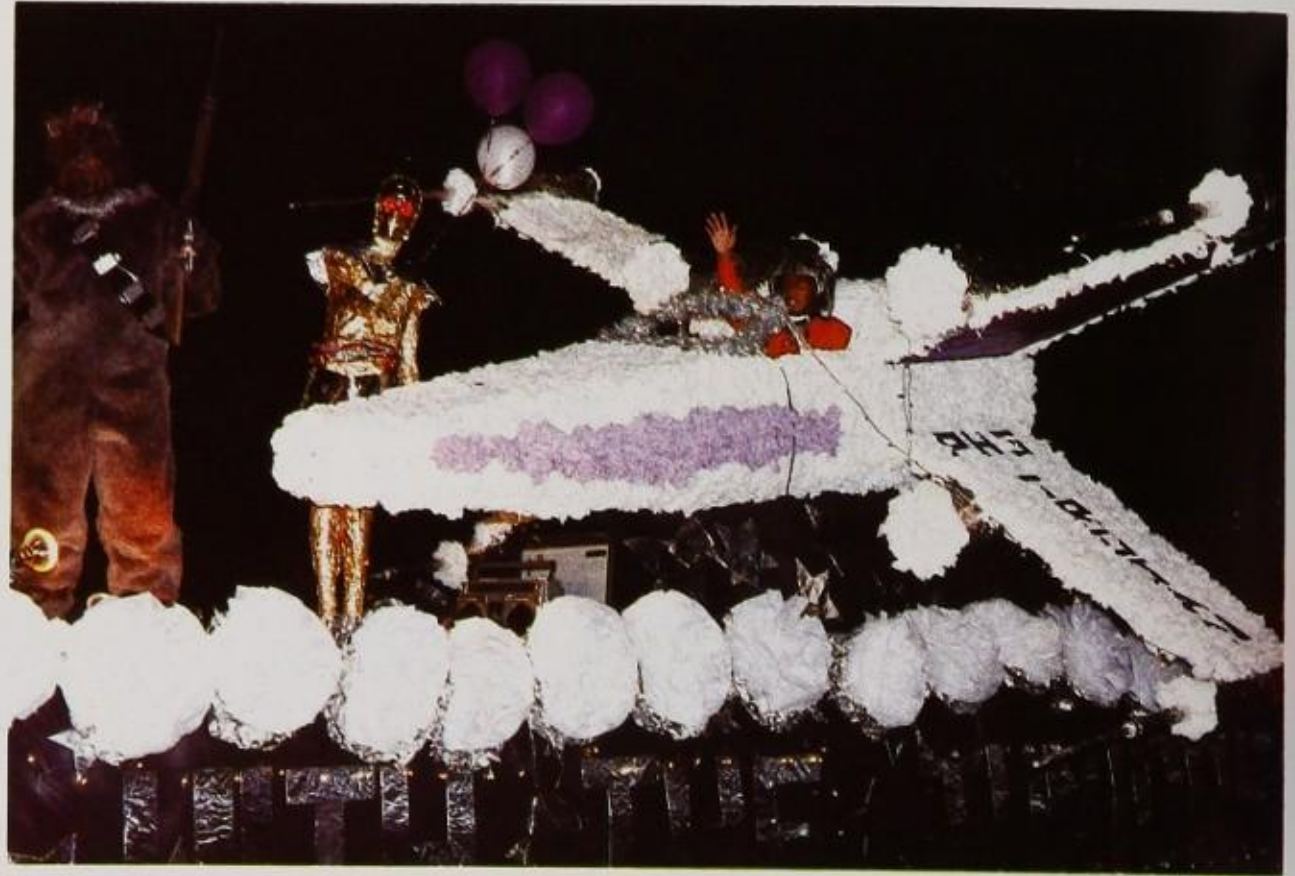

PHOTOS: #1 Homecoming dance crowd. #2 Chris Pedrotti and Mike Illia #3 Senior Blue for Laurie Cook, Jennifer Mohrman and Dina Patocci. #4 Delores Martin and Mike Illia shoeless. #5 Homecoming Queen Kelly Lowen. #6 Gail Cheek and Heidi Waterman. #7 The Accolades. #8 Unknown Comics "Choo" and Alex. #9 Allisim Hurley and Melissa Brody in Junior Red. #10 Lesha Grossi and Noa Burge in Sophomore yellow. #11 David Simonsen and Kirsten Butler speechless. #12 Diane Osborne and Bill Jostmeyer to a slow tune. #13 Matt Schaffer and Cheryl Zaro. #14 Jimmy Papageorge. #15 Dave Marquez and Kelly Lowen. #16 THE BAND.

THE FLOATS

Sunlight shimmers in the late spring afternoon and everything is ready. A signal is given, the band strikes up and the effect is magical . . . ITS A PARADE! Cameras click, children along side and D Street is filled with the Trojan sound. The Purple and White look Sharp!

Juniors take 1st place with STAR WARS

The creative effort here left no doubt that the people that built this float put in a lot of time and hard work.

Sophomores blaze a trail with RAIDERS OF THE LOST ARK

A true visual adventure was presented by the Sophomores in this exciting rendition of a box office smash.

The Homecoming theme of "The Movies" was built perfectly into every float right down to the very last detail. Lions and tigers, smoking jets and jungle raiders, along with ghosts, sent the fans into frantic cheers both at the parade and at half time. Every float was indeed a winner! A beautiful experience to wind down a GREAT WEEK!

Seniors go for gold with WIZARD OF OZ

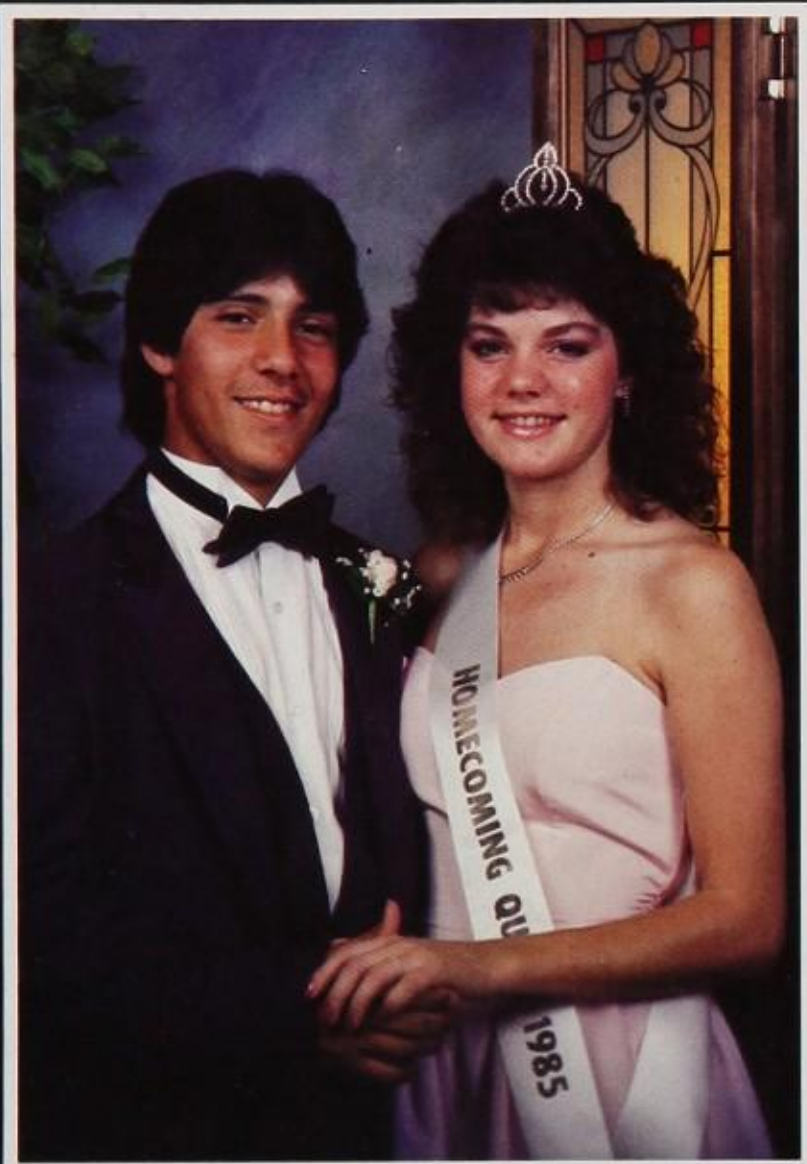

And there was Dorothy with all her friends going right down the yellow brick road all the way to the walls of Troy.

Freshmen scare the pack with GHOSTBUSTERS

You couldn't miss the Stay-puff marshmellow man as the Freshmen came out of the dark with this excellent float.

Varsity T-Boys Put Forth Super Effort

With only eleven returning players this team experienced its ups and downs as injuries kept top players out of big games. Head Coach Steve Ellison said that although most of the boys were inexperienced they put forth a tremendous effort. Just a few of the standouts were Matt Torrens, Jeff Spackman, Scott Stroud, Brett Bradenini, team captains Justin Holmes, Mike Moretti and Joe Flynn. The entire squad worked hard and with many returning in '86 look out opponents!

Troy's Stars Shine In Crosstown Battle

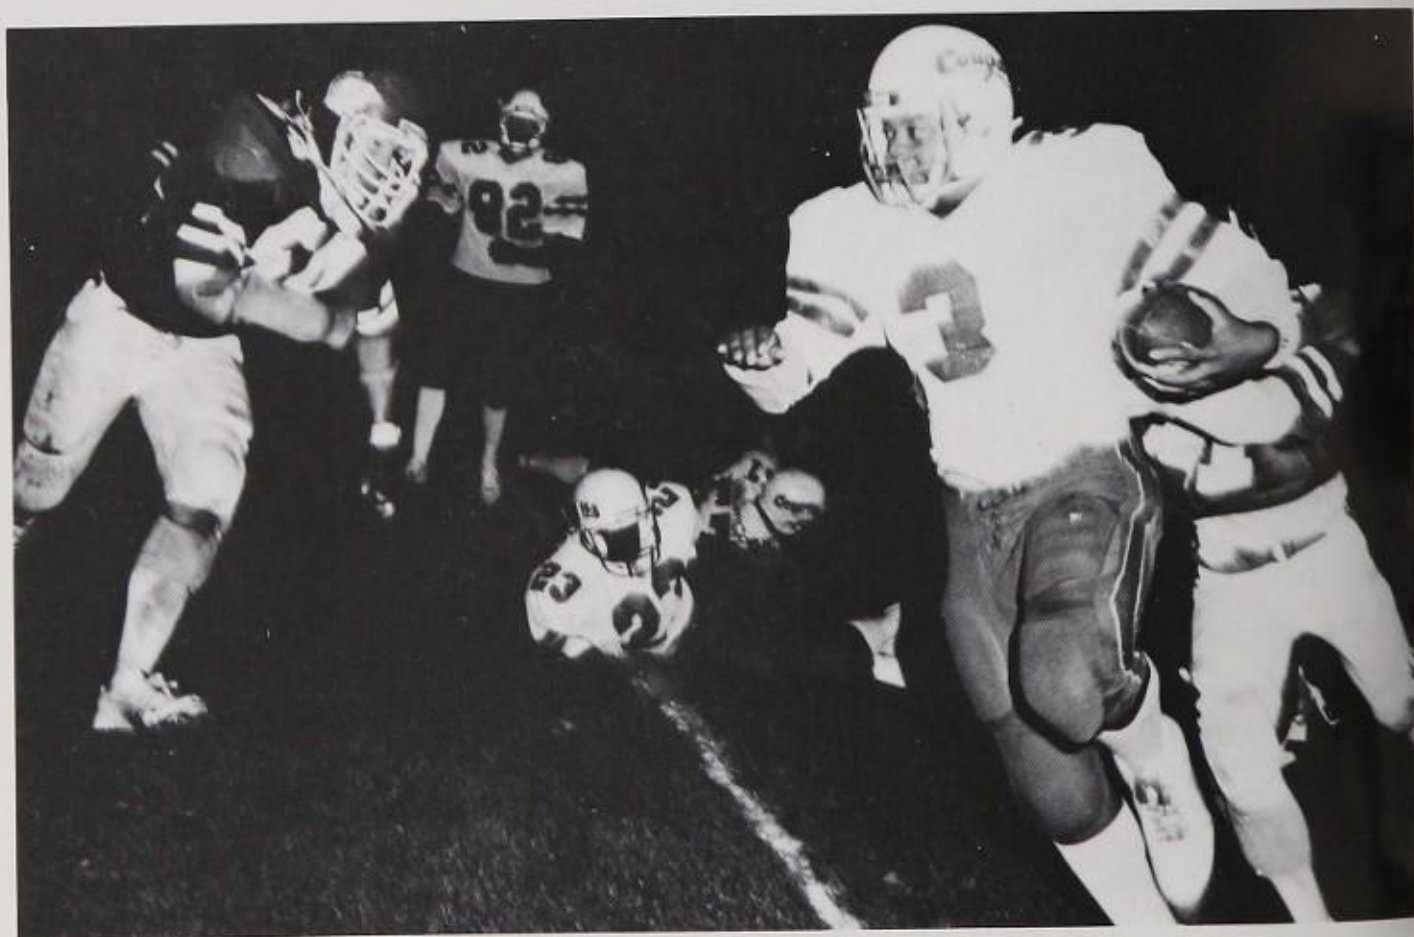

An early season scrimmage against Washington/Redwood/Montgomery prepared the Trojans for a tough '85 schedule. For example, TERRA LINDA came on strong and downed Troy 28-16, but the boys were tuned for crosstown rival CASA GRANDE and left them on the short end by winning 10-3.

The Casa win had team spirits high when ANALY came to town and engaged in a defensive struggle that resulted in a 7-6 win for the visiting Tigers. For the fourth home game in a row the HEALDSBURG Hounds dropped in and compiled a big score with a wide open offense as they posted a 56-14 tab. The pre-season closed with a loss to the PINER Prospectors after Piner came back in the second half to win 28-13.

League opened with an impressive come-from-behind victory for Troy even after they spotted the RANCHO COTATE Cougars 19-7 at the half and came back to win 22-19! Losses to CARDINAL NEWMAN (19-3) and UKIAH (35-7). Regardless of a 2-8 overall record the squad played hard in every game and showed character throughout!!

Teamwork Molds This Squad And Carries Them Through Tough Fall Schedule

With some teams "winning" is their only goal, but with this JV team it was only one phrase to their purpose. They saw improvement, dedication and determination as being just as important. The squad was small ... only 24 in number, but they worked together and represented the Trojan spirit to the best of their ability.

Opponents often commented to these players that they were one of the best teams they had played. They hit hard, played hard but always played FAIR! The coaching staff is very proud to give next year's Varsity a fine set of "Football Players".

A large turnout greeted the coach this year and from the group Coach John Cercos was able to select some of the best players PHS has seen for years. The collection of talent was most pleasing to the Varsity Coach that saw his future team in the making. The win-loss record was not really a good gauge for this squad as they were trying to learn the sophisticated offense and defense of the Varsity, and this presented problems. We are proud of you!

Netters Use Season To Develop Skills For '86

With only seven returning players Coach Linda Jacobson saw that her task was to return to the basics. The move paid off with a strong 6-8 preseason record. The girls enjoyed victories over such teams as Sonoma, Piedmont and Marin Catholic. The squad was rich with desire and enthusiasm that kept many of the contests very close. Their tournaments included the Chickaluma and Kelseyville Invitionals. Good luck in '86.

Throughout the season the names of Geoff Gray, Mike Mossi, Dave Marquez, Rob Koagendal and Damon Allred kept appearing in the spotlight. Tim Schrock and John Zielinski were also noted for their individual efforts. Coach Fred Brunton sees a very bright '86 season. The cross-town battle with Casa Grande ended up in a 1-1 tie this year even though Troy scored first. This sport has very strong support in the community and rightly so ... they're GREAT!

Most Junior Varsity teams play in the shadow of the varsity but this team stood out all by its self. In pre-season they posted an excellent 8-2 record and didn't stop there. Teamwork was the key but a few players did standout. Nick Kelly, Greg Clecak, Todd Jackson, Andy Schrock, Dave Demo and Scott Altimari were just a few of the top kickers. Troy Runs To Win

"These are young and growing teams and have a great will to win," commented Coach Doug Johnson on the 1985 cross country season.

As tradition would expect, the Petaluma cross country team brought us another year of running excitement. The preseason brought about wins over Sonoma and Casa and also impressive showings in the Montgomery Invitational, Bob McGuire Relays and the Chico Invitational. Even though the team is very small, the season went well for the Trojan participants. The boys' team won impressive victories over Cardinal Newman and Ukiah. The boys were led by Bryan MacKay, Shawn Phillips and Willie Oaks. The boys ended up their season with a winning 4 and 3 mark. The boys finished in the middle of the league. The Trojan girls' team was led by runners Joline Oliver, Kristy Bauer, and Lori Kibler. The girls compiled victories over cross town rival Casa Grande, Rancho Cotati and Ukiah. The girls also finished in the middle of the league. The future looks bright for Troy in '86.

Strong interest and young talent put the season on the positive side, something that the win-loss record did not do. In every match the girls played as if in a championship game, but the opposition proved stronger except against Rancho Cotate. Jennifer Mohrman went undefeated for a second season and played two rounds in NCS playoffs.

Eight Wrestlers Go To NCS Championships

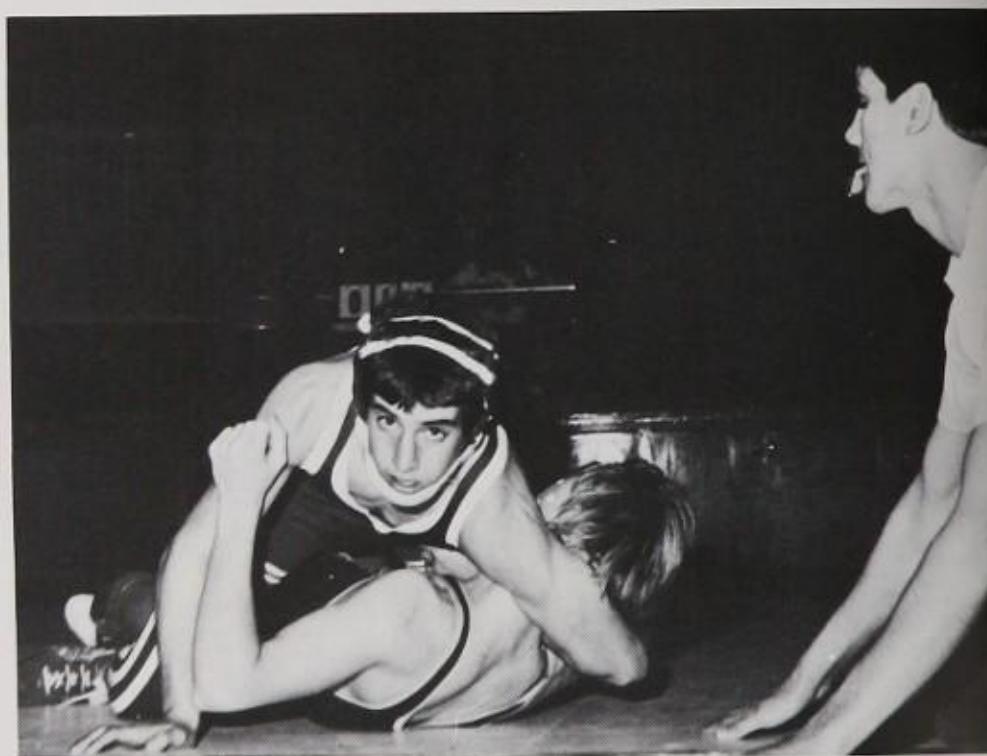

Success is not always the banner or the cup but rather an attitude and success is the key word for this group of boys! The eight medalists to continue their quest for further glory at the NCS Championships were Andy Dee (108), Steve Levinson (115), Rich Pedersen (122), Ken Slayton (129), Yong Chun Ko (135), Barrett Starke (141) Javier Ramirez (148) and Bruce Burnett (157). All season these and all the other members of the team put on a great showing for Coach Denny Plyler. A 3rd place in the league indicated just how tough the competition was in '86.

VARSITY BASKETBALL

Take a saying such as "The difference between day and night" and you describe the contrast over our '85 squad to our revived and exciting '86 team! Last year a 1-24 mark . . . this year a 5 and 5 League total including a loss by 2 points and another by 5! Get the picture! Yes, basketball came back to Troy led by Seniors Mile Illia, Scott Longaker, Tony McGaughey, Phill de la O, and Jeff Spackman. Of course the Junior were the other half of the team, but just think of what they will bring us next year with this kind of experience!

For starters, Troy opened the season with a win over Novato, then downed Granada and cross-town Casa by just 2 points. El Molino was next. Then two narrow losses by 3 then 5 mere points. We opened league play with a heart breaking 2 point loss to Montgomery, then came back to take Ukiah and Santa Rosa. The most exciting game of all, however, came on a rain-postponed match against Ukiah . . . this one went into double-overtime and, as Coach Eric Hoppes said, "we did it in style tonight.", Troy took it and the nets to end an excellent season. Truly a winter to remember and great promise for 1987!!

Junior Varsity Basketball

This dedicated group of Juniors and Sophomores compiled a season record of 11 wins and only 7 losses. An even better mark was possible as four of the seven losses were within five points. These tight contests were against Novato, Vacaville, Cardinal Newman, and cross-town Rival Casa Grande. Team play was led by energetic Kevin Watson, Bill Soug and Chris Ronin. The fans always saw enthusiasm and desire in this young squad. With this year as a strong foundation these players will surely put PHS in contention for a league title this coming year.

Looking forward to a fourteen-game schedule, the Trobables gathered a group of hard working boys that soon showed Coach Joe Enos that they had the potential of changing the record books. For a season that showed great promise with returning Laurie Cook, Jennifer Mohrman and Kris Baur it turned out to be an experience of ups and downs! The highlight of the pre-season was winning the championship in the Fortuna Invitational. That and the turn-around win against CASA set high hopes. League play, however, brought on strong opponents such as Montgomery, Rancho Cotate and Ursuline. PHS Strokes to Glory

With a turnout of almost seventy swimmers Coach Bob Hermann sees the team quite strong in every event. NCS quality girls are Stephanie Perdue, Kim Carpenter, Jennifer Jenkins, Lisa Letvincheck, Jenell Troxel, Gwen Scribner and Kathy Stebler. The boys are Herb Wandel, John Letvinchuck and Hans Wandel.

Early this year the future of the swim team appeared dim because of lack of funds. However, the Booster Club came through with the funding and everything is go! Coach Hermann will be assisted by Steve Bechtol and will have Mike Libbey as diving coach. Since the team has seen Post-season action almost every year it is almost certain that '86 will follow suit.

Two NBL Titles in The Last Two Years!

Having won the NBL title for the last two years gives Petaluma only one option for the '86 season ... STAY AT THE TOP! And that is just what they plan to do with outstanding returning lettermen and strong new players. Head Coach Frank Wright puts this task on the able shoulders of Scott Longaker, Mike Illia, Steve Jackson, Jeff Spackman, Matt Schaffert and John Zielinski. Support these boys with last year's top JV players Jason Wright, Ray Green, Dave Hunt, Craig Azevedo and Chris Sullivan AND NOW YOU HAVE A POWERHOUSE OF A TEAM!

Weather and a longer basketball season delayed a final selection of a starting lineup, but no matter who goes on the field first the supporting cast will be just as dependable at all the positions. The opening game showed that the boys had stayed in shape during the winter as an exciting display of base-running and strong hitting impressed coach and fans.

With interest and action this high we know that cheers will be reverberating throughout the park at McNear each week.

With a new mentor at the helm, the Girls Varsity carried high hopes of taking the NBL crown depending on their efforts against Montgomery. The task was made easier with five returning players and a strong new pitcher in Tione Bishaw. Foul weather delayed several games in pre-season, but once everything got rolling the girls put their talents to the forefront and recorded one win after another. WHY A YEARBOOK?
Many times during the year we have asked ourselves just why are we taking all of this time to produce this book . . . why all the money, the effort and the energy?
The answer is simple. The future depends on records . . . and what a better record of the best years of our lives. In this book we will remember so emotionally all the good times and the complex times we spent preparing ourselves for our role the every-day world. We will see our friends and our teachers, review our games and classes and be so very glad we have this record of a happier world. A yearbook keeps good memories alive for a long, long time.

TO JON & GINA
FOREVER FRIENDSHIP

Since tiny babies,
So little and cute,
Neither one was any trouble,
Boy, ain't that a hoot!

You both grew so nicely,
And started nursery school,
Like "two peas in a pod"
That was your golden rule.

When you started Kindergarten,
The teachers would soon
discover,
To find that neither one of you,
Would play without the other.

Then you hit the third grade,
And WOW! there was a clash,
You couldn't stand the sight
Of one another at last.

But before we knew it,
You were in junior high,
And once again watching out,
For the other guy.

Then came high school,
And both were so gallant
To verbally tell the other one,
Whether you liked their date or
NOT!

And now you're graduating,
With many wishes to come true,
We hope that one may be,
A "Forever Friendship" dear to
you.

AUTOGRAPHS

DEDICATION . . . to Mr. Frank Hutchison

The graduating class of 1986 takes with it a vast collection of knowledge passed on to them by hard working and caring teachers. They will also take with them a very sincere and professional administrator. MR. FRANK HUTCHISON has chosen this year to end his educational career to retire and fully enjoy his interests in fishing and camping. His days of youth beckon him to return to the beautiful wilderness areas of Idaho for longer vacations.

His first position in our area was as a vice-principal at Rancho Cotati High School. Six years later he became the principal at Rohnert Park Junior High and remained there from 1973 until he came to us here at PETALUMA HIGH SCHOOL as Principal in the summer of 1976.

All of us, students, staff members and parents, will always remember his positive attitudes, his concern and his open-door policy. Teaching is often considered a "thankless" job, but in the long run it does have its rewards. One of these rewards is meeting people that you know you will remember for a long time to come. Students will recall his presence in the halls and courtyard during lunch and other breaks. Teachers shared conversation in the lounge and offices, while parents knew they could talk to him during activities on and off campus.

MR. FRANK HUTCHISON has given 35 years of his life to a career that has made him a richer individual . . . not financially, but richer knowing that in his path he leaves all of us with an example of a GENTLEMAN, AN EDUCATOR and A VERY CARING PERSON. Truly a person we will remember . . . for a long time to come!
